

Help Your Sales Team Break Barriers to meet with VPs: use 3 Simple Strategies

It's frustrating, isn't it? As a sales manager, you know VPs have busy schedules and it is difficult to secure sales appointments with them to sell high price products or services. Imagine you employ same strategies used by all-star sales teams at IBM and NCR to set appointments with VPs...

In our latest white paper, "**3 strategies for getting sales appointments with VPs**", you'll learn three field-tested strategies for setting more appointments with top level executives. You will also get two template emails that your sales team can tailor for their own use in reaching VPs immediately.
