

Mindwalk Business Coaching

A training and coaching company – helping our clients grow their business.

Do you convert enough proposals into clients?

Discover 5 keys to Creating a Proposal That Wins the Work

Have you spent a lot of time preparing detailed quotes and price proposals? Only to be told NO THANKS!

On average, 90% of the web design projects require detailed proposals, even from current clients. Imagine creating proposals that win.

Mindwalk can help you convert proposals into clients.

“How to Create Proposals That Win the Work”.

September 29, 2014 at 2:00 p.m. – 3:00 p.m. ET

[Registration Button Here]

You will increase your chances of converting proposal into clients by 20% just by improving 5 key elements in your proposal. That can mean one more web design project your firm gets out of every six you quote!

You will learn these 5 key elements in your proposal template by investing only 75 minutes of your time.

Don't delay... Access to this Free Webinar is limited to 25 participants to allow for discussion and Q&A

You will also get the following valuable bonuses:

- A sample of an actual winning proposal utilizing the webinar's strategies, which you can use as a template for your own quotes.
- An online recording of the webinar for two weeks following the live event for review and to share with others in your company.

You have the opportunity to dramatically boost your business with absolutely no charge or obligation.
